

The Student Athletes You Will Be Supporting

Your support goes to the development of student athletes. The Coaches are volunteers, players pay their own registration fees so funds will be used for a team uniforms, kit, equipment, scholarships, and expenses.

Our Mission

Provide opportunities for student athletes to experience the game of rugby in Southwest Washington. We believe rugby builds character as we teach our “Values” to build self-confidence and leadership in our youth on and off the pitch. Support the development of boys and girls to advance onto regional, state, and national teams as they continue on beyond our youth program into college, Adult, National and Olympic leagues.

Our Values

To teach Honor, Respect, Teamwork, Integrity, Self-confidence, and Leadership. All coached through our one and only priority goal:

“Have Fun at practice and on game day”
